Sunshine Factory Restaurant

New Hope, MN

**CALL TO ORDER:** @ 6:15 pm by Mike, KØBUD, Director

**ATTENDANCE:** 23 members, 1 guest Kris, NØJHL (XYL WØZX)

### **OLD BUSINESS:**

- KØJUH reported a \$500 donation was recently approved for DXØDX, Spratly Island. We are awaiting further information from the group on antennas and rigs, before the payment is made. At the moment, nothing is listed on their website. [http://www.dx0dx.net/2010/05/equipment\\_13.html](http://www.dx0dx.net/2010/05/equipment_13.html)

### **NEW BUSINESS:**

- A special welcome was extended to two out-state members who made the long drive to the meeting: Keith, KØKG, Rochert (east of Detroit Lakes), and Pat, WØBM, who drove up from Kasson (west of Rochester).
- NØAT, reports a DX Advisory committee member is asking why an early Scarborough Reef operation was a NO counter, and the most recent one did COUNT, when both had their operating platforms in the water. Stay tuned.
- WØBV and KØJUH informed the members the summer issue of the newsletter is a work in progress. It should be on the newsstands in early July. It's not too late to contribute material. Send it to: [k0juh@comcast.net](mailto:k0juh@comcast.net)
- Bert, WBØN, gave us an update on the WØEF Field Day station sponsored by the Twin City FM club. He still needs a few more operators. If you're interested, give Bert a toot at: [wb0n@aol.com](mailto:wb0n@aol.com)

- **Greg, KØGW, Dakota Division Director, took the floor and led an interesting round table on the pros and cons of the new ARRL website. He received some good feedback which pointed out some of the issues users are having with the new design. It's definitely a very professional looking site, and will only improve as various "bugs" are corrected.**
- **Our President and Vice President (KØPC & WØZR) were unable to attend the meeting, and Mike, KØBUD, was the designated pinch hitter. Thanks Mike. You be da man!**
