TCDXA MEETING MINUTES

Monday, October 18, 2010

Sunshine Factory Restaurant
New Hope, MN

CALL TO ORDER: 6:15pm by President Pat Cain, KØPC

ATTENDANCE: 21 members.

OLD BUSINESS: None

NEW BUSINESS:

- Early reminder that the election of officers for 2011 is coming up. Pat, KØPC, President, and Tom, WØZR, Vice President, indicated they will run again for their respective offices. Jim, KØJUH is stepping down as Secretary-Treasurer, but will continue his role with the newsletter and the website.
- It was agreed on that there is no shortage of activity from the five islands in the Netherland Antilles. Now that its' been announced, we know there will be two deletions and four additions to the DXCC list for a new total of 340 entities.
- Bob, KØRC, has designed a spread sheet for tracking the PJ activity and the stations you've worked on the various bands and modes. It is cool! <http://tinyurl.com/24u3a2m>
- The DX Hog Award will be presented at the November meeting to members who wish to be recognized for a "big" total Qs number with all the PJ stations. Have fun & work 'em all!
- Pileup Behavior, the Good, the Bad, and the Ugly. It's a frustrating subject that isn't going away. A prominent DXer once said, "show me a pileup, and I'll show you some mighty poor operating". Conclusion: we all must take it upon ourselves to do the best job we can to avoid calling out of turn, especially when you may be QRMing another QSO!
