Health and Welfare: None

Old Business: None.

New Business:

Mike WØWG read the Treasurers report. Mike will send the year end treasury report to the Club email list so all members can see the details of the Club finances.

Mike also read a note from Glenn WØGJ, which gave the Club a big THANK YOU for our donation to the upcoming DXpedition to VU7.

After a short discussion, a motion was made and approved to keep the Sunshine Factory as our meeting location for 2007.

Membership dues for 2007 will be \$25, and several member paid at tonights meeting. Let's see if we can get dues paid as early as possible this year, so we don't drag this out into JULY. \$25 a year...that's only 7 cents a day! WHAT A DEAL!!!

Election for Club officers opened. Bob WØEK, and Mike WØWG had volunteered to keep their position again this year, if no other nominations or volunteers came forward. And you know what that means!! They will be our President and Treasurer for 2007. At that point, the inspection of shoes and ceiling began. Several nominations for the office of Secretary were made and declined. So the office of Club Secretary remains open. If you know of someone who would accept the nomination or would like to volunteer for this position, please let President Bob know by the next meeting in January.

The First Place raffle prize went to Al KØAD (\$20), and the second place prize of a printed copy of the DX4WIN users manual went to Pat KØPC.

Presentation: A video presentation of the 3YØX DXpedition was seen. An excellent video to this very rare location, and most likely the last trip there for a long, long time.*_
