The BS7H video was another classic piece of photography shot by James Brooks, 9VIYC. It was a close look at what the group went through to put this rare DX entity on the air. It was an excellent program. Thank you President Mike, for providing the video.

This month, Tom, KØYR, Mankato, and Bob, WØEK, Albany, get the long distance award for making the drive on a cold and snowy night in January.

And we can't forget two of our Super Senior members who turned out for the meeting. Dick, WØTRF, and Charlie, WØHW. It was nice to see you guys!
