

TCDXA MEETING MINUTES
Monday, June 16, 2008
Sunshine Factory Restaurant

**The meeting was called to order at 6:25 pm by Jim, KØJUH*

In Attendance

23 Members, 1 Guest, Neill, NRØL

Old Business

We revisited an old subject – a face lift for the TCDXA website. Having professionals re-design the site is expensive, so the project remains on the back burner. Any volunteer web designers around?

New Business

The Rochester Amateur Radio Expo (RARE) is coming up August 8-10th. Members are urged to order tickets and make hotel reservations early. All of this can be done at <http://www.rareexpo.org/>

Mike, WØWG, treated all the members to appetizers in honor of receiving his private pilots license. Amazing fact: Mike learned to fly at the age of 68! Congratulations!

Health & Welfare

**Mike, NØODK, our beloved President, missed the meeting due to having a piece of metal removed from his left eye. We missed your smiling face at the meeting big guy, best wishes for a speedy recovery.*

Larry, WØIK, is headed for an angiogram procedure after suffering chest pains. We' re all pulling for you Larry.

Door Prize Drawings

<i>Ray, KGØDK</i>	<i>\$20</i>
<i>Dennis, KFØQR</i>	<i>\$20</i>
<i>Club Treasury</i>	<i>\$50</i>

Program

DX Lab Logging Program by Lou, ACØX

Lou gave us a detailed look at a logging program that' s written in modules that will interact or run independently. It' s a freeware program full of information related to DXing.

The meeting was adjourned at 7:55 pm.
